ESSENTIALS

Math Not Your Strong Suit?

HSC is offering a 4-day Math Essentials - Skills Building program that offers a refresher in essential math skills, the mastery of which can help facilitate a positive transition from Grade 8 to Grade 9 in mathematics.

The program will review key strands of the Grade 8 Ontario curriculum, and is geared towards HSC students who would benefit from a consolidation of their math skills.

August 29 - September 1, 2016

9:00am - 11:30am

(Possible second offering, if interest: August 22 - August 25)

To register: <https://hscsummercamps.campbrainregistration.com>

For additional information please contact, Carol Mulvey at
905-389-1367 ext 173 or carol.mulvey@hsc.on.ca
